

BX Safety Award

Recipient and company names reflect status at the time of the award presentation.

2016 Recipients

Industry Impact Award: George Gillespie (Ohio Utilities Protection Service) was named the 2016 recipient for his undeniable advocacy and dedication to improving the safety and health of employees in central Ohio.

Achievement Award:

- Bruner Corp.
- Buckeye Ready-Mix, LLC
- Custom Air Conditioning and Heating Co.
- Heiberger Paving, Inc.
- George J. Igel & Co., Inc.
- Lend Lease (US) Construction, Inc.
- Mid-City Electric/Technologies
- Pepper Construction Company of Ohio, LLC
- Sauer Group, Inc.
- R.W. Setterlin Building Co.
- Speer Mechanical
- The Superior Group
- Trucco Construction Co., Inc.
- Kirk Williams Piping & Plumbing Co.

Innovation Award:

- **George J. Igel & Co., Inc.** for the development of the "2-Bar Fall Eliminator for Manholes and Structures."
- **M-M Masonry, LLC** for development of an "Eyewash Station Scaffolding Bracket."

2015 Recipients:

Achievement Award:

- Anderson Concrete Corp.
- BRICKMAN
- Bruner Corp.
- Buckeye Ready-Mix, LLC
- Continental Building Systems
- Custom Air Conditioning and Heating Co.
- Elford, Inc.
- George J. Igel & Co.
- Lend Lease (US) Construction, Inc.
- Lincoln Construction, Inc.
- Mid-City Electric / Technologies
- Pepper Construction Company of Ohio, LLC
- Paul Peterson Company Sign Division, Inc.
- Sauer Group, Inc.
- Settle-Muter Electric, Ltd.
- Speer Mechanical

Innovation Award:

- **George J. Igel & Co., Inc.** for the development of the "Manhole Casting Lift."
- **Speer Mechanical** for development of the "Cord Saver."

2014 Recipients:

Industry Impact Award: Bob Brockmeyer for his diverse, decades-long contributions to improving the safety and health of employees in central Ohio.

Achievement Award:

- Anderson Concrete Corp.
- BRICKMAN
- Bruner Corp.
- Buckeye Ready-Mix, LLC
- Capital Fire Protection Co.
- Converse Electric, Inc.
- Custom Air Conditioning and Heating Co.
- Danis Building Construction Co.
- Elford, Inc.
- Lend Lease
- Limbach Company, LLC
- Lincoln Construction, Inc.
- Martin Painting & Coating Co.
- Messer Construction Co.
- Mid-City Electric Co.
- Sauer Group, Inc.
- R.W. Setterlin Building Co.
- Settle-Muter Electric, Ltd.
- Speer Mechanical
- The Superior Group
- Trucco Construction Co., Inc.
- Turner Construction Co.
- Kirk Williams Co., Inc.
- Kirk Williams Piping & Plumbing Co.

Innovation Award:

- **Corna Kokosing Construction Co.** for the development of the "King Clamp."
- **George J. Igel & Co., Inc.** for the development of the "Rolling Wallplank."
- **Mid-City Electric Co.** for the development of the "Lift Alarm System."
- **Speer Mechanical** for the development of the "Hot Stop" Caution Magnets.
- **TP Mechanical Contractors** for the development of the "Rolling Rack."

2013 Recipients:

Achievement Award:

- Anderson Concrete Corp.
- Bruner Corp.
- Buckeye Ready-Mix, LLC
- Capital City Electric LLC
- Continental Building Systems
- Converse Electric Inc.
- Corna Kokosing Construction Co.
- Custom Air Conditioning and Heating Co.
- Danis Building Construction Co.
- Elford, Inc.
- Heiberger Paving, Inc.
- Lang Masonry Contractors, Inc.
- Lend Lease
- Martin Painting & Coating Co.
- Messer Construction Co.
- Mid-City Electric Co.
- The Paul Peterson Company, Sign Division
- Sauer Group, Inc.
- Settle-Muter Electric
- Smoot Construction
- Speer Mechanical
- The Superior Group
- TP Mechanical Contractors
- Turner Construction Co.
- Watertown Steel Co.

Innovation Award:

- **Bruner Corp.** for inventing a tool to reduce the repetitive process of bending over to hold bangers in place during hammering.
- **George J. Igel & Co., Inc.** for devising a simple solution that maintains the integrity of the ladder while ensuring at least seven inches of toe clearance. The device is portable, easy to fabricate and provides the safe access desired on the job, while also significantly reducing the possibility of a slip or fall and serious injury.
- **Mid-City Electric Co.** - a Mid-City field foreman developed a simple yet effective way to protect breakers from being turned off while working alongside live gear.

2012 Recipients:

Achievement Award:

- Anderson Concrete Corp.
- Bruner Corp.
- Capital City Electric, LLC
- Capital Fire Protection Co.
- Custom Air Conditioning and Heating Co.
- Elford, Inc.
- George J. Igel & Co., Inc.
- Heiberger Paving, Inc.
- Lang Masonry Contractors, Inc.
- Lend Lease
- Limbach Co. LLC
- Messer Construction Co.
- R.W. Setterlin Building Co.
- Ruscilli Construction Co., Inc.
- Sauer Group, Inc.
- Settle Muter Electric
- Speer Mechanical
- The Paul Peterson Co., Sign Division Inc.
- The Superior Group,
A Div. Of Electrical Specialists, Inc.
- TP Mechanical Contractors
- Turner Construction Co.

Innovation Award:

- **Continental Building Systems** designed temporary electrical outlet covers that provide a means to energize the permanent power earlier in the construction process.
- **George J. Igel and Co., Inc.** designed a retrieval bucket that could be used to apply force to break up the CDF and drag it through the sewer line for removal.

2011 Recipients:

Achievement Award:

- Anderson Concrete Corp.
- Buckeye Ready-Mix, LLC
- Capital Fire Protection Co.
- Continental Building Systems
- Converse Electric, Inc.
- Corna Kokosing Construction Co.
- Custom Air Conditioning and Heating Co.
- Danis Industrial Construction Co.
- E.C. Babbert, Inc.
- Elford, Inc.
- Heiberger Paving, Inc.
- Lend Lease
- Lincoln Construction, Inc.
- Mid-City Electric Co.
- Ruscilli Construction Co., Inc.
- Sauer Group, Inc.
- Settle Muter Electric
- Smoot-Elford-McDaniels Joint Venture
- TP Mechanical Contractors
- Trucco Construction Co., Inc.
- Turner Construction Co.

Innovation Award:

- **Speer Mechanical** created a bottle storage system that separates into two carts. The device is made of two single-bottle carts joined with a simple fastening system.

2010 Recipients:

Achievement Award:

- Anderson Concrete Corp.
- Bruner Corp.
- Buckeye Ready-Mix, L.L.C.
- Capital City Electric, LLC
- Capital Fire Protection Co.
- Continental Building Systems
- Custom Air Conditioning and Heating Co.
- Danis Building Construction Co.
- Danis Industrial Co.
- Elford, Inc.
- Gilbane Building Company
- Lang Masonry Contractors, Inc.
- Limbach Company
- Lithko Contracting, Inc.
- Martin Painting & Coating Co.
- Messer Construction Co.
- Mid-City Electric Co.
- Paul Peterson Co., Sign Division Inc.
- Sauer Group, Inc.
- Scioto Darby Concrete, Inc.
- Smoot Construction
- Smoot-Elford-Resource
- Speer Mechanical
- Suburban Steel Supply, Co., LP
- The Superior Group
- Trucco Construction Co., Inc.
- Turner Construction Co.
- Vaughn Industries, LLC

Innovation Award:

- **Continental Building Systems** – for Skyhook 5000, a horizontal lifeline system that provides tie-off protection when setting wood trusses.
- **George J. Igel & Co., Inc.** – for a corporation stop remover that can directly access the corporation stop, remove it and plug the tapped bore.

2009 Recipients:

Achievement Award:

- Adena Corp.
- Anderson Concrete Corp.
- Athens Glass Service, LLC
- E.C. Babbert, Inc.
- Bruner Corp.
- Buckeye Ready-Mix, LLC
- Capital Fire Protection Co.
- Continental Building Systems
- Converse Electric, Inc.
- Corna Kokosing Construction Co.
- Custom Air Conditioning and Heating Co.
- Dynalectric Company of Ohio
- Echo 24, Inc.
- Elford, Inc.
- G Force Automatic Doors, LLC
- Gilbane Building Company
- Heiberger Paving, Inc.
- George J. Igel & Co., Inc.
- Joe Dirt
- Mid-City Electric Co.
- Performance Site Company
- Performance Site Environmental
- The Righter Company, Inc.
- Ruscilli Construction Co., Inc.
- Sauer Group, Inc.
- Sauer Industrial Contracting, LLC
- Scioto Darby Concrete, Inc.
- Smoot-Elford-Resource Joint Venture
- Speer Mechanical
- The Superior Group
- Thomas Glass Co., Inc.
- Turner Construction Co.
- Vaughn Industries, LLC

Innovation Award:

- **Bruner Corp.** – for a rung platform that allows for arch and ball of foot support.
- **Corna Kokosing Construction Co.** – for a PVC access port created by vertically vacuuming a hole to expose a utility.
- **Corna Kokosing Construction Co.** – for a new clamp system that forms around the panel and allows the entire clamp to grip – for a tripod to secure propane cylinders which also serves as a warning device and barricade.
- **George J. Igel & Co., Inc.** – for a manhole top with a guardrail system and access for catwalks Parks Drilling Co. – for a steel barricade system to protect employees from exposure to fall hazards.
- **Performance Site Co.** – for a mobile platform equipped with guardrails which allow access to safely remove the stick from an excavator.
- **Performance Site Co.** – for a metal grate which runs the length of the blade that enables employees to safely adjust the GPS.

2008 Recipients:

Achievement Award:

- Adena Corp.
- Athens Glass Service
- Atlas Industrial Electric
- Bruner Corp.
- Capital City Electric, LLC
- Capital Fire Protection Co.
- Continental Building Systems
- Corna Kokosing Construction Co.
- Custom Air Conditioning and Heating Co.
- Danis Building Construction Co.
- Echo 24, Inc.
- G Force Automatic Doors, LLC
- Gilbane Building Company
- Heiberger Paving, Inc.
- Joe Dirt
- Lang Masonry Contractors, Inc.
- Limbach Co. LLC
- Lincoln Construction Inc.
- Lithko Contracting, Inc.
- Messer Construction Co.
- Mid-City Electric Co.
- Sauer Inc.
- Settle Muter Electric
- Smoot Elford Resource
- Solid Rock Builders and Developers, Inc.
- Suburban Erectors
- Suburban Steel Supply
- The Righter Co., Inc.
- The Superior Group
- Thomas Glass Co., Inc.
- Trucco Construction Co., Inc.
- Turner Construction Co.

Innovation Award:

- **Continental Building Systems** – for a method to protect electrical cords.
- **Continental Building Systems** – for developing a ladder base angle bracket to prevent the base from slipping or being kicked out.
- **Continental Building Systems** – for creating a top step shield for use on step ladders.
- **Continental Building Systems** – for addressing floor hole covers in multi-story structures where many piping holes expose employees to safety hazards by creating a cover out of a ¼-inch plate of steel to withstand pedestrian and equipment traffic.
- **Continental Building Systems** – for a magnetic cord management system for the temporary support of electrical cords.
- **Elford, Inc.** – for minimizing electrical hazards on articulating boom lifts. Elford, Inc. created a cord holder using a cut section of 3-inch diameter PVE pipe, about nine inches long.
- **Smoot Construction** – for preventing ergonomic injuries caused by carrying granite slabs weighing up to 1,200 pounds.
- **Trucco Construction Co., Inc.** – for fabricating a portable fall restraint system for use in manholes.

2007 Recipients:

Industry Impact Award: **Dianne Grote Adams**

Dianne's passion for safety was evidenced by her BX involvement, and that of her staff. She encouraged her employees to teach classes, serve as Safety Awards judges, participate in the Safety Advisory Council, and be available to BX members for safety questions.

Achievement Award:

- Adena Corp.
- Anderson Concrete Corp.
- Bruner Corp.
- Continental Building Systems
- Corna/Kokosing Construction Co.
- Custom Air Conditioning and Heating Co.
- Echo 24, Inc.
- G Force Automatic Doors, LLC
- Gilbane Building Company
- Gutknecht Construction Co.
- Limbach Co., LLC
- Lincoln Construction Inc.
- MAC Construction, Inc.
- Martin Painting & Coating Co.
- Mid-City Electric Co.
- Oberfield's, Inc. Performance Site Environmental
- Rocky Fork Co.
- Royal Electric Construction Corp.
- Sauer, Inc.
- Speer Mechanical
- Suburban Steel Supply Co., LP
- The Superior Group
- Thomas Glass Co., Inc.
- TP Mechanical Contractors
- Turner Construction Co.

Innovation Award:

- **Bruner Corp.** – for redesigning the method in which medical gas lines are installed.
- **Continental Building Systems** – for a fall protection anchorage device for doors and windows.
- **Continental Building Systems** – for developing a concrete blanket roller to reduce ergonomic injuries.
- **Corna/Kokosing Construction Co.** – for developing a process for dumping trash hoppers.
- **HydroMaster Seeding & Tree Service** – for creating a safety bar for the loading shoot of a hydroseeder.
- **Trucco Construction Co., Inc.** – for developing a ladder support bracket for trench boxes.

2006 Recipients:

Achievement Award:

- Anderson Concrete Corp.
- Bruner Corp.
- Capital City Electric, LLC
- Capital Fire Protection Co.
- Chet Baker and Company
- Continental Building Systems
- Danis
- Elford, Inc.
- G Force Automatic Doors, LLC
- Gilbane Building Company
- Limbach Company, LLC
- Lincoln Construction Co.
- Mid-City Electric Co.
- Performance Site Co.
- The Righter Company, Inc.
- Sauer Incorporated
- Speer Mechanical
- Suburban Steel Erectors
- The Superior Group,
- A Division of Electrical Specialists, Inc.
- TP Mechanical Contractors

Innovation Award:

- **Bruner Corp.** – for the simple use of warning labels on ladders to prevent accidents caused from misjudging how many rungs are left before reaching the floor.
- **Continental Building Systems** – for a scissors lift cord guide.
- **Continental Building Systems** – for the use of an alarm that sounds when the chain for a scissors lift is not closed.
- **Corna/Kokosing Construction Co.** – for the development of a wall pick, wall bracket for the support of work platforms.
- **GreenScapes Landscape Architects and Contractors** – for devising a safe method to secure loads on trucks.
- **Performance Site Co.** – for developing a job trailer platform with fold-up stairs.”

2005 Recipients:

Industry Impact Award: Performance Site management honored for changing the industry. Performance was honored for its efforts in addressing an industry-wide hazard and influencing the way manufacturers produce quick coupler attachments.

Achievement Award:

- APEX/M&P Construction LLC
- Bovis Lend Lease
- Bruner Corp.
- Buckeye Ready-Mix, L.L.C.
- Capital Fire Protection Co.
- Chet Baker and Company
- Construction One
- Corna/Kokosing Construction Company
- Custom Air Conditioning and Heating Co.
- Dublin Building Systems Co., Inc.
- Dynalectric Company of Ohio
- Elford, Inc.
- Gilbane Building Company
- Limbach Company, LLC
- Martin Painting & Coating Co.
- Messer Construction Co.
- Mid-City Electric Co.
- Oberfields, Inc.
- Pro-Terra Environmental Contracting Co.
- Sauer Incorporated
- Speer Mechanical
- The Superior Group, A Division of Electrical Specialists, Inc.
- Thomas Glass Co., Inc.
- Turner Construction Company
- TP Mechanical Contractors

Innovation Award:

- **Continental Building Systems** – for an emergency evacuation alarm system that encompasses the safety challenges of a potential evacuation on large and/or multi-story project.
- **Corna/Kokosing Construction Co.** – for a “pour stop” bracket used for perimeter fall protection in multi-story commercial building construction.

2004 Recipients:

Industry Impact Award: Three long-time employees of the Division of Safety & Hygiene have played key roles in creating a stronger safety culture in central Ohio construction. They are the first recipients of the Industry Impact Award: **Dan Feeney, Pat Pollock, and Tim St. Clair.**

Achievement Award:

- APEX/M&P Construction, LLC
- Bovis Lend Lease
- Bruner Corp.
- Buckeye Ready-Mix, L.L.C.
- Capital Fire Protection Co.
- Chet Baker and Company
- Continental Building Systems
- Corna/Kokosing Construction Co.
- Danis Building Construction Co.
- DeFabCo, Inc.
- Elford, Inc.
- EXXCEL Project Management, Inc.
- Gaylor Group, Inc.
- Gilbane Building Company
- Limbach Co.
- Martin Painting & Coating Co.

- Mid-City Electric Co.
- Peabody Landscape Group
- Performance Site Management
- Pro-Terra Environmental Contracting Co.
- The Righter Company, Inc.
- Ruscilli Construction Co., Inc.
- Sauer, Inc.
- Speer Mechanical
- The Superior Group
- TP Mechanical Contractors, Inc.

Innovation Award:

- **Bruner Corp.** – for painted pipe sleeves that were painted florescent orange and tacked down to metal decking.
- **Continental Building Systems** – for a simple, inexpensive way to tie-off ladders.
- **Corna/Kokosing Construction Co.** – for embedded guardrail brackets for use in multi-story masonry construction.
- **Elford, Inc.** – for a door lift to minimize strain and sprain injuries.

2003 Recipients:

Achievement Award:

- Anderson Concrete Corp.
- Bruner Corp.
- Capital Fire Protection Co.
- Continental Building Systems
- Corna/Kokosing Construction Company
- DeFabCo., Inc.
- Dynalectric Company of Ohio
- EXXCEL Project Management, Inc.
- Gaylor Group, Inc.
- Gilbane Building Company
- Messer Construction Co.
- Mid-City Electric Co.
- Peabody Landscape Group
- Speer Mechanical, Inc.
- The Superior Group,
A Div. of Electrical Specialists, Inc.
- TP Mechanical Contractors, Inc.
- Thomas Glass Co., Inc.
- Turner Construction Co.

Innovation Award:

- **Continental Building Systems** – for a roof warning line stanchion that anchors to the roof and uses springs to keep the warning lines at the OSHA-specified height.
- **Corna/Kokosing Construction Co.** – for a Manhole Catwalk and Rescue System to minimize the fall exposure of employees installing and connecting new sewer line manholes, and to assist with rescue operations, if needed.
- **George J. Igel & Co., Inc.** – for an engineer-approved “doghouse shelter” that is fastened to the back of a trench box to protect crew members while pipe is being set or the box is being slid during work in a deep sewer.
- **Performance Site Management** – for redesigning a quick-coupler for an excavator, which includes a safety pin in the line of vision of the operator, along with extended grab hooks and a lifting hook with a butterfly latch.
- **Speer Mechanical** – for redesigning standard plastic caps for pipe sleeves, by inserting round pieces of metal in them for reinforcement, to prevent puncture and collapse.
- **TP Mechanical Contractors, Inc.** – for creating a structure to hold a permanent ladder for work in narrow shafts where regular, mobile ladders would not fit.
- **Kirk Williams Company** – for developing a fully-guarded roof cart for fall protection for leading edge work, that allows the worker to reach the leading edge without tying off or leaving the controlled access zone.

2002 Recipients:

Achievement Award:

- Bovis Lend Lease
- Continental Building Systems
- Corna/Kokosing Construction Co.
- The Myron Cornish Company of Columbus
- Converse Electric, Inc.
- Danis Building Construction Co.
- Dean's Custom Fixtures
- DeFabCo, Inc.
- Elford, Inc.
- Gaylor Group, Inc.
- Gilbane Building Company
- The Albert M. Higley Co.
- Messer Construction Co.
- Oberfield's, Inc.
- Pro-Terra Environmental Contracting Co.
- Sauer, Inc.
- The Superior Group,
A Div. of Electrical Specialists, Inc.
- TP Mechanical Contractors, Inc.
- Turner Construction Co.

Innovation Award:

- **APEX/M&P Construction, LLC** - for using a pre-cast concrete elevator shaft in very dangerous soil conditions, which reduced the exposure of employees in the hole from five weeks to a few days.
- **Buckeye Ready-Mix, LLC** - for a "Roll-Over Prevention" campaign that helps drivers understand the causes of rollovers and how they can be prevented.
- **Elford, Inc.** - for using a roof vent boot dust collector on a sawzall, to eliminate the need for respiratory protection while using a sawzall for demolition.
- **Gilbane Building Company** - for a "Safety Champion" campaign that honors a non-Gilbane employee for safety excellence, such as an owner, trade contractor or vendor working on a Gilbane site.
- **Messer Construction Co.** - for a safety "dos and don'ts" photo book of construction work practices.
- **The Righter Co.** - for a rope-grab fall protection system used with piling operations.
- **Turner Construction Co.** - for a "peer inspection system," which encourages field employees to review other Turner jobs in which they are not involved.

2001 Recipients:

Achievement Award:

- APEX/M & P Construction, LLC
- Buckeye Ready-Mix, LLC
- Continental Building Systems
- Corna/Kokosing Construction Co.
- DeFabCo, Inc.
- Elford, Inc.
- Gilbane Building Company
- Lawhon & Associates, Inc.
- Lithko Contracting, Inc.
- Messer Construction Co.
- Oberfield's, Inc.
- Pro-Terra Environmental Contracting Co.
- RWS Building Company
- The Righter Co., Inc.
- Smoot Construction
- TP Mechanical Contractors, Inc.
- Turner Construction Company
- Urban Environments, Inc.

Innovation Award:

- **Corna/Kokosing Construction Company, Inc.** - for an alarm that sounds when the access hatch of a Hydro-Mobile scaffold is open, eliminating a fall hazard.
- **Kokosing Construction Company, Inc.** - for a training video showing the proper use, care and inspection procedures for each type of quick-coupler device the company uses.
- **Messer Construction Co.** - for a four-step safety awareness process, including awareness training, senior management commitment, site-specific action steps for the commitment, and accountability.

2000 Recipients:

Achievement Award:

- Anderson Concrete Corp.
- Continental Building Systems
- Corna/Kokosing Construction Co.
- Elford, Inc.
- EXXCEL Project Management, Inc.
- Gilbane Building Company
- Lawhon & Associates, Inc.
- Lincoln Construction, Inc.
- Lithko Contracting, Inc.
- Martin Painting & Coating Co.
- Oberfield's, Inc.
- Pro-Terra Environmental Contracting Co.
- RWS Building Co.
- The Superior Group,
A Div. of Electrical Specialists, Inc.
- TP Mechanical Contractors, Inc.
- Turner Construction Co.

Innovation Award:

- **ADENA Corp.** - for lockable cut-off switches used on heavy equipment to prevent non-authorized people from operating the machinery.
- **Bruner Corp.** - for a work plan used to avoid confined space entry, which required fabricating 650 feet of welded stainless steel pipe above ground, and lowering the pre-fabricated product into an excavation.
- **Corna/Kokosing Construction Company, Inc.** - for an intensive safety curriculum in the company's apprenticeship training program, requiring 54 hours of safety courses in the first year that can be applied toward credit at Columbus State Community College.
- **Messer Construction Co.** - for an incentive program for senior management, with a significant portion of their annual bonus at risk - based on the cost of accidents as a percent of the craft payroll.
- **Smoot Construction** - for an incentive/awards program for superintendents that uses a score card to track proactive efforts such as training and inspections.

1999 Recipients:

Achievement Award:

- Allied Applicators, Inc.
- Corna/Kokosing Construction Co.
- Danis Building Construction Co.
- Dinneen Excavating Co., Inc.
- EXXCEL Project Management, Inc.
- Gilbane Building Company
- Lawhon & Associates, Inc.
