

BX President's Award

The Builders Exchange is pleased to announce Hansel Rhee, partner with Ice Miller LLP, as the 2021 recipient of the BX President's Award.

Initiated in 1979, this honor is given to an individual who has volunteered countless hours behind the scenes to develop Exchange programs and impact the industry. While the award is presented to just one person, it represents and salutes the thousands of BX members who have donated their time and talents to the BX through the years.

Rhee is a graduate of the inaugural class of the BX Rising Leaders Institute (RLI) and in 2014 served as a RLI Champion. He has volunteered for many years as an instructor for the Construction Contracting 101 and Successful Project Documentation education courses, and is presently a co-facilitator for the BX Rising Leaders Institute Legal & Ethics session. Rhee has participated in the BX Law and Finance Group and is a regular attendee of the BX Annual Meeting. His company is a co-sponsor of the BX Craftsmanship Awards. In addition to his BX involvement, Rhee is actively involved with the Ohio Bar Association, the American Bar Association and several construction-related associations.
