

BX President's Award

The Builders Exchange is pleased to announce Molly Coen, project manager (Miles-McClellan Construction Co., Inc.), as the 2025 recipient of the BX President's Award.

Initiated in 1979, this honor is given to an individual who has volunteered countless hours behind the scenes to develop Builders Exchange programs and impact the industry. While the award is presented to just one person, it represents and salutes the thousands of BX members who have donated their time and talents to the BX through the years.

Molly embodies the spirit of volunteerism that the BX President's Award was created to honor. A 2020 Rising Leader graduate, she has stayed actively engaged with the BX, participating in the 2023 Managing from the Middle Series and joining the inaugural class of Rising Leaders 2.0. She currently serves on the BX Young Professionals Committee, where she helps plan and facilitate annual networking

events. Molly also shares her expertise as an instructor for the Estimating & Bid Preparation class and was a featured panelist at the 2023 BXYP Women

in Construction event. Beyond her committee work, she is a dedicated volunteer at major BX events—including the Open House, Annual Meeting, and the Ohio Construction Conference—where she plays a key role in leading the new networking breakout sessions.
