

## Recognize Your Award Recipients 2025 Annual Meeting Magazine

The BX Annual Meeting, confirmed for Tuesday, Nov. 18 at the Hilton Columbus Downtown, is the perfect opportunity to socialize and network with other construction professionals. It's also a time to acknowledge our award recipients and recap a year of excellence in the central Ohio construction industry.

The program will feature the graduation of the 19th class of the Rising Leaders Institute and the presentation of a variety of BX honors including:

- ▶ Cornerstone Award
- ▶ Craftsmanship Awards
- ▶ President's Award
- ▶ Safety Achievement Awards

Your company information can be placed directly in attendees hands when you advertise in the Annual Meeting magazine.

A variety of ad size and pricing options are available – from full-page to 1/8-page. Advertisers are encouraged to submit camera-ready artwork in the required dimensions or request their ad be created by BX staff.
